Rapoo VH360 | Warranty Information

Warranty reference, not a warranty certificate.

Rapoo warranty terms depend on purchase region, seller, and authorized distributor.

A Bangladesh seller advertises a 1-year manufacturing warranty, but this is NOT evidence of warranty for an Iranian purchase.

No model-specific official VH360 warranty certificate or Iran distributor warranty was verified.

Seller reference: https://www.eit.com.bd/rapoo-vh360-gaming-headphone

Check the original purchase invoice, warranty card, and distributor for applicable terms.
