Warranty Information

Independent reference sheet compiled from retailer listings and Rapoo support information. Not a manufacturer-issued document. Model variants and regional specifications may differ.

This is NOT a warranty certificate or proof of coverage.

Warranty duration and eligibility depend on country, authorized seller and receipt.

Rapoo Europe describes a 2-year limited warranty for qualifying purchases from official retailers. This does not establish coverage in Iran or other regions.

Contact the seller or regional distributor with proof of purchase and product serial number.
