RAPOO E1050 FA

Warranty Information

Status	Informational reference only - NOT a warranty certificate
Warranty period	Depends on country, seller, and authorized distributor; no Iran-specific warranty verified
Proof of purchase	Keep dated invoice and serial/packaging identification
Claims	Contact the seller or authorized local warranty provider for terms and eligibility
Common limitations	Coverage and exclusions must be confirmed from the actual warranty provider

Important: Do not use this sheet as proof of warranty or as an official Rapoo warranty card.

Model: Rapoo E1050 (FA-labelled retail variant). FA-specific key legends/layout were not independently verified. These reference sheets are independently prepared, not official manufacturer-issued documents.
