TP-Link Archer C86

AC1900 Dual Band | Mesh / Warranty

Independent reference document, not an official TP-Link publication. Hardware/region variants may differ. Check the label on your device.

Warranty status

Warranty period and coverage are region- and seller-dependent. No Iranian warranty certificate is supplied with this document.

Before requesting service

Retain the original invoice and packaging, record serial number and hardware revision, and contact the authorized seller or TP-Link regional support.

Important exclusions

Do not assume third-party firmware, physical damage, or incorrect firmware flashing is covered. Refer to the warranty terms supplied with the purchased unit.
