# TP-Link TL-WA855RE

## Catalog | Independent product reference

## Product

TP-Link TL-WA855RE | 300Mbps Wi-Fi Range Extender

## Highlights

Compact plug-in design, two external antennas, 2.4 GHz Wi-Fi extension, one Ethernet port, Access Point mode, WPS setup, TP-Link Tether management and signal indicator.

## Typical use

Extend coverage into weak-signal rooms or connect a wired Ethernet device. Actual performance depends on router, walls, interference and placement.
