Warranty Information

Product: Silicon Power Jewel J01 USB 3.2 Gen 1 - 32GB

Part number: SP032GBUF3J01V1R

Manufacturer warranty

Silicon Power lists a 5-year warranty for the Jewel J01 product family. Actual eligibility, exclusions and service procedures are governed by the applicable manufacturer policy and local seller terms.

Claims and proof of purchase

Keep the original invoice, packaging or product identification, and contact the seller or authorized regional support provider for warranty claims.

A manufacturer warranty statement does not establish that a particular Iranian distributor offers the same coverage.
