Rapoo X2100 Wireless

Technical datasheet (reference)

Product type

Wireless keyboard and optical mouse desktop set.

Wireless interface

2.4 GHz radio connection via a nano USB receiver; plug-and-play operation.

Keyboard

Full-size layout with number pad and multimedia shortcut functions. Some regional listings describe 104 keys, others 105; layout varies by region.

Mouse

Three-button silent-click optical mouse with 1200 DPI tracking (X2100 Silent variant).

Power and battery life

Battery-powered keyboard and mouse. Manufacturer lists up to 12 months of battery life for the X2100 Silent variant; actual duration depends on usage.

Compatibility

USB-A host and supported operating system. Some multimedia shortcuts are Windows-specific.

Model naming note: Product listings use both X2100 Wireless and X2100 Silent. Exact package/revision specifications should be checked against the unit label. These reference sheets are independently prepared and are not official Rapoo documents.
