Product Catalog Entry

Independent reference sheet compiled from retailer listings and Rapoo support information. Not a manufacturer-issued document. Model variants and regional specifications may differ.

Rapoo M306 - Wireless Optical Mouse

Compact 2.4 GHz mouse for everyday computer use.

Uses a USB nano receiver and an AA battery.

Reported features vary by regional variant: some listings include adjustable DPI and side navigation buttons; others specify three buttons and fixed 1000 DPI.

Verify packaging or official SKU before listing detailed features.
